

## Happy Mother's Day!

We had another busy and wonderful week in third grade! We were excited to make it to the Fremont Township Garden on Tuesday afternoon. We walked through the garden, saw the new play house, bee house and bug motel. We ate asparagus, mint, spinach, dill and lemon. We will head back to volunteer and hopefully do some planting on Tuesday!

Here are some of the things we did in third grade this week:

In religion, we discussed that we celebrate Mass each week as a reminder of Jesus' resurrection. We celebrate Mass on Sunday since that is the day in which Jesus rose from the dead. We also discussed that we gather together to praise God.

In math, we have been working hard on our division unit! This week we learned how we could model a division problem to find how many equal groups. We learned the names of the numbers in a division problem (dividend,

divisor, quotient), used bar models to solve, and saw how division is related to subtraction.

In science we have been learning how living things have common features. We discussed how living things grow and change. We learned how plants and animals react and respond to their environment.

In language arts, we have continued our novel study on Charlotte's Web. This week we have worked on chapters 13, 14, and 15. We have read that Mr. Zuckerman realizes that Wilbur is a special pig and asked Lurvy to give Wilbur straw to sleep on instead of manure. The humans and the animals on the farm notice the crickets are singing and they take it as a sign that summer is coming to an end. Our spelling pattern for the week were words that double the final consonant when adding an ending along with comparatives and superlatives.

## Upcoming Events:

Monday, May 15 – Mismatched Day

Tuesday, May 16 - Fremont Garden

Wednesday, May 17 – wear something orange

Thursday, May 18 –Picnic day (bring a blanket to sit on)
